Overall Length:

16.312 inches

Pin Diameter:

0.250 inches

Center To Center Distance Between Pins:

7.250 inches

Special Features:

Dia of opening 6.625 in.

Material:

Steel comp 1035

Material Specification:

Qq-s-634 federal specification single material response

Surface Treatment:

Oxide and chromium and nickel

Style Designator:

Adjustable face pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A102a0
