**End Application:**

Aircraft propeller controls

**Expanding Collet Spread Range:**

0.156 inches

**Expanding Collet Quantity:**

1

**Product Name:**

Puller, mechanical

**Special Features:**

Used to remove differential gear train shaft bearing from housing

**Reference Data And Literature:**

To 3ha2-7-3

**Style Designator:**

Bearing removal

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T294-m
