Overall Length:

3.500 inches

End Application:

5865-00-209-3962

Opening Diameter:

0.906 inches

Lug Width:

0.230 inches

Material:

Steel

Material Specification:

Qq-s-766, class 304 federal specification single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Mil-f-14072 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A102a0

Mil-std (military Standard):

Mil-f-14072 spec.
