Overall Length:

5.423 inches

Overall Width:

0.423 inches

Head Thickness:

0.375 inches

Drive Surface Size:

0.250 inches single end

Drive End Shape:

Square single end external

Special Features:

72 gear teeth

Material:

Steel

Surface Treatment:

Chromium

Style Designator:

Ratchet

Specification Data:

81343-sae as4283 professional/industrial association standard

Specification Or Standard:

1 type and 2 class and b style

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A102a0
