**End Application:**

Detroit diesel series 149 engines

**Special Features:**

Consists of body j24533-1 and 1/2 in. Connector j24533-2

**Functional Description:**

Used to torque cylinder block

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A102a0
