Overall Length:

1.000 inches

Overall Width:

1.000 inches

End Application:

Crimping tool, terminal, hand, wire termination

Color:

Black

Material:

Steel

Surface Treatment:

Oxide

General Description:

Double closure size 0.213 in. And 0.100 in. Hex

Specification Data:

81349-ms22520/5 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
