**Overall Length:**

8.000 inches

**Overall Width:**

3.000 inches

**Wrenching Surface Size:**

0.216 inches single end and 0.218 inches single end

**Criticality Code Justification:**

Zzzy

**Wrenching Surface Shape:**

Hexagon single end external

**Material:**

Steel

**Style Designator:**

Fixed t-handle

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A102a0
