Functional Description:

Removes p/n 200886729 connecting pin that secures the steering control valve to differential lever; also removes p/n 200886730 connecting pins that secure differential lever to nlg steering caseing

Reference Data And Literature:

Mil-s-85/2d as modified per ils/ds-30a-31

Type/model Designation:

200886001-aft-17

Fsc Application Data:

Aircraft model av-8b

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-m

Mil-std (military Standard):

Mil-s-85 spec.
