Overall Length:

6.000 inches

Diameter:

0.380 inches

Usage Design:

For installation of pin in 2 places after repair of the oil nozzle align. Pin holes gearbox housing per repair tasks 313-12

Operation Method:

Nonimpact

Special Features:

Harden per rockwell c 44-48; e/i f100-pw-100/200

Material:

Steel

Shape:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-m
