**Criticality Code Justification:**

Zzzy

**Special Features:**

Steel mil-s-46850; length 4.375 in; drawing number 20351; name puller bar

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T294-m
