Overall Length:

24.000 inches

Operation Method:

Hydraulic

Special Features:

Neoprene covered handles; 360 degrees head rotation; for crimping versa-crimp or versatile fittings to copper, aluminum and acsr conductors; no. 8-350mcm aluminum, no. 8-266.8 acsr, no. 4-2/0 acsr (full tension) and no. 8-300mcm copper conductor capacities

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A53810
