Overall Length:

28.000 inches

Outside Diameter:

4.500 inches

Special Features:

Used w/pwa38572 wrench adapter, pwa38609 spline adapter, and pwa38610 spline adapter

Material:

Steel

Material Specification:

Aisi-1018 assn standard single material response

Style Designator:

Socket to socket

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A102a0
