

View Online at <https://aerobasegroup.com/nsn/5120-01-266-1952>

Overall Length:

4.000 inches

Operation Method:

Nonimpact

Special Features:

End item is keying bushing military specification m28954/39-002

Material:

Aluminum alloy

Shape:

Hexagonal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-m

Mil-std (military Standard):

spec.
