Bearing And Bushing Inserter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5120-01-266-1952

Overall Length:
4.000 inches

Operation Method:
Nonimpact
Special Features:
End item is keying bushing military specification m28954/39-002

Material:
Aluminum alloy
Shape:
Hexagonal
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:

No

Fiig: T294-m

Mil-std (military Standard):

spec.
