View Online at https://aerobasegroup.com/nsn/5120-01-266-1952

#### **Overall Length:**

4.000 inches

#### **Operation Method:**

Nonimpact

## **Special Features:**

End item is keying bushing military specification m28954/39-002

#### Material:

Aluminum alloy

#### Shape:

Hexagonal

#### Shelf Life:

N/a

### Unit Of Measure:

Demilitarization:

No

---

# Fiig:

T294-m

## Mil-std (military Standard):

spec.
