Drive Surface Size:

0.500 inches single end

Drive End Shape:

Square single end internal

Special Features:

Made from snap-on gtw321 and 2 in. Diameter washer

Functional Description:

Used to remove/install accessory gearbox coupling shaft nut/f110-ge-129aircraft eng

Material:

Steel

Reference Data And Literature:

Serd 1262

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A102a0
