Diameter:

2.265 inches

End Application:

Nsn 1560-01-106-9519, attack helicopter

Usage Design:

To install input shaft seal

Operation Method:

Nonimpact

Special Features:

In accordance with enginetics corporation drawing number 140008, rev. A, dated 9/11/1988

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-m
