Overall Length:

4.000 inches

End Application:

2350-01-305-0028 howitzer

Operation Method:

Nonimpact

Special Features:

In accordance with us.S army armament research, development and engineering center drawing 12910862 dated 890316

Material:

Plastic polyamide

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-m
