Overall Length:

9.500 inches

Diameter:

4.300 inches

End Application:

Tf117pw100 aircraft eng

Operation Method:

Nonimpact

Functional Description:

Used during installation of bushing in gearbox

Material:

Steel

Shape:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-m
