**Overall Length:**

7.000 inches

**Wrenching Surface Size:**

1.125 inches single end

**Product Name:**

Locking pliers straight jaw

**Special Features:**

Locking pliers

**Material:**

Steel

**Style Designator:**

Err-090

**Specification Data:**

05047-asme b107.500 professional/industrial association standard

**Specification Or Standard:**

1 type and 1 class and a style

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A527y0
