Overall Length:

7.000 inches

Wrenching Surface Size:

1.125 inches single end

Product Name:

Locking pliers straight jaw

Special Features:

Locking pliers

Material:

Steel

Style Designator:

Err-090

Specification Data:

05047-asme b107.500 professional/industrial association standard

Specification Or Standard:

1 type and 1 class and a style

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A527y0
