Overall Length:

13.938 inches

Wrenching Surface Size:

1.125 inches second end

Small End Head Angle:

15.0 degrees

Large End Head Angle:

15.0 degrees

Material:

Steel

Surface Treatment:

Chromium

Style Designator:

Double head

Supplementary Features:

Industrial quality (iq) tools program item

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A527y0
