**Overall Length:**

9.125 inches

**Wrenching Surface Size:**

0.562 inches second end

**Wrenching Surface Shape:**

6 point both ends internal

**Wrenching End Offset Angle:**

45.0 degrees

**Material:**

Steel

**Surface Treatment:**

Chromium

**Style Designator:**

Deep angular offset double head

**Supplementary Features:**

Industrial quality (iq) tools program item

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A527y0
