**Overall Length:**

3.625 inches

**Wrenching Surface Size:**

0.281 inches second end

**Wrenching Surface Shape:**

6 point both ends internal

**Wrenching End Offset Angle:**

15.0 degrees

**Material:**

Steel

**Surface Treatment:**

Chromium

**Style Designator:**

Shallow angular offset double head

**Supplementary Features:**

Industrial quality (iq) tools program item

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A527y0
