Overall Length:

8.000 inches

End Application:

F100pw229 aircraft eng

Taper Type:

Double

Taper Length Comparison:

Equal

Product Name:

Pusher, mechanical

Special Features:

Special design to align and seat the num 5 bearing inner race without damaging surrounding engine hardware; 3.700 od

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535f0
