End Application:

Turbofan engine

Wrenching Surface Flute Quantity:

22

Product Name:

Adapt, torque-locknut no2 ball bearing

Special Features:

Designed for the f414 engine

Functional Description:

To install/remove no2 bearing locknut

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A102a0
