End Application:

T56 engine

Product Name:

Instltn/rmvl tool, propeller shaft plug

Special Features:

Made of steel; 18.0 inches long; weight 5 lbs

Relationship To Similar Equipment:

Redesigned of present tool 6796467 for new plug 23073304

Supplementary Features:

Remove or replace shaft plug on t56 engine prop

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-m
