Overall Length:

80.000 inches

End Application:

F108-cf-100

Usage Design:

For installation/removal of the cfm56 core module to/from the fan module

Product Name:

Adapter torque installation/removal number 3 bearing locking nut

Supplementary Features:

Serd 3789

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-m
