Overall Length:

8.000 inches

Overall Height:

0.250 inches

Overall Width:

0.250 inches

End Application:

F110-ge-100, 129, 400 engines

Product Name:

Pin, inspection-bushing alignment exhaust nozzle

Special Features:

Made from sae440 stianless steel heat treated to a hardness of 55-60rc

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
