End Application:

PUMP-IN-GAS-SY.;

Extended Height:

21.500 inches

Design Type:

Upright

Load Capacity:

1.0 tons

Retracted Height:

8.600 inches

Features Provided:

Screw extension

Product Name:

A-frame sind wind jack p/n: 78159-2

Special Features:

A-frame side wind jack finished iaw mil-c-53039; color shall be desert tan 686a; maskhandle grip prior to finish

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A538z0
