Overall Length:

10.0 inches

End Application:

Ifte

Operation Method:

Manual compression

Product Name:

Af8 crimpool, m2250/1-01

Special Features:

Used with positioner numbers 452202, 452205, 452206, 452220 and 452221;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A53810
