Overall Length:

6.760 inches

End Application:

Iffe

Operation Method:

Manual compression

Product Name:

Crimp tool frame, miniture

Special Features:

Used with these positioners 452212, 452215, 452218 and 452299;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A53810
