Overall Length:

18.000 inches

Width Across Flats:

0.625 inches

Product Name:

Polished rolling head pry bar

Special Features:

Rolling head type

Material:

Steel

Style Designator:

Straight hexagon - taper point reefing hook

Specification Data:

05047-asme b107.52 professional/industrial association standard

Specification Or Standard:

3 type and 5 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537w0
