Open End Wrench - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5120-01-646-8503

Overall Length:
7.600 inches
Wrenching Surface Size:
17.0 millimeters second end
Features Provided:
Full polish
Small End Head Angle:
15.0 degrees
Large End Head Angle:
15.0 degrees
Material:
Steel
Surface Treatment:
Chromium
Style Designator:
Double head
Specification Data:
05047-asme b107.100 professional/industrial association standard
Specification Or Standard:
1 type and 1 class
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A527y0
