Overall Length:

18.750 inches

Fungus Resistant Treatment:

Not included

Air Inlet Thread Diameter:

0.750 inches

Operating Pressure In Psi:

90.0

Accessory Components And Quantity:

Blades (2), set of wrenches (1), additional handle (1), hose coupling (1)

Stroke Length:

2.375 inches

Weight:

15.9 pounds

Sawing Speed In Strokes Per Minute:

330

Electromagnetic Interference Suppression:

Not provided

Special Features:

Lever throttle; front assist handle; 24 in. Maximum pipe cutting capacity; 330 rpm; 3/4 in. Nps hose fitting; 18-3/4 in. Lg; includes 2 saw blades, 1 set of wrenches, 1 additional handle and 1 hose coupling

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-z
