Overall Length:

12.000 inches

Overall Height:

7.375 inches

Overall Width:

5.875 inches

Current Type:

Ac

Alternating Current Rating In Amps:

4.6

Sanding Motion:

Orbital

Orbits Per Minute:

10000.0

Accessory Components And Quantity:

60, 80, 120, 180 and 240 grit abrasive sheets and dust bag

Pad Length:

11.000 inches

Pad Width:

4.500 inches

Features Provided:

Straight handle grip and double insulated and dust extraction system and front assist handle

Pad Type:

Paper and clamp

Voltage In Volts:

115.0

Phase:

Single

Special Features:

1/2 sheet sander

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-a
