**End Application:**

F100-pw-100/200/220/220e/229 engines

**Reach Length:**

9.000 inches

**Spread Range:**

9.000 inches

**Product Name:**

Puller-number 3 bearing & gear assembly

**Special Features:**

Steel construction with 4 adjustable puller jaws, used to remove the gearbox drive bevel gear from the number 3 bearing support

**Style Designator:**

Disk and plate

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A538y0
