Overall Length:

25.400 inches

Overall Height:

2.100 inches

Overall Width:

3.100 inches

Pressure Rating:

2900.0 pounds per square inch

Voltage In Volts And Current Type:

9.6 dc

Product Name:

Battery-powered crimping tool

Special Features:

Wire crimping range up to 6awg. 2ni cd batteries included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
