Overall Length:

10.000 inches

Thread Size:

5/16-24

Hose Inside Diameter For Which Designed:

0.375 inches

Screw Thread Series Designator:

Unc

Drive Axis To Work Surface Relationship:

Vertical

Air Inlet Thread Size:

1/4 single connection

Sanding Pad Maximum Diameter Accommodated:

6.000 inches

Spindle Type:

Male

No Load Speed In Rpm:

12000.0

Features Provided:

Lever throttle

Err Default:

Err default

Special Features:

Dual action; foam backed pad; uses psa (pressure sensitive adhesive) discs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A533j0
