Vibration Level In Meters Per Second Squared:

15.9

Loudness Level In Decibels:

Pressur (l): 96 and power(l) : 107

Product Name:

Air nibbler

Cutting Speed In Strokes Per Minute:

4200.0

Minimum Cutting Radius:

1.2 millimeters

Supplementary Features:

Designed to cut mild steel, alumminun, tin and material up to 18 gauge

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
