Overall Length:

1.031 inches

Body Diameter:

0.625 inches

Cutting End Style:

Straight flute w/through hole

Cutting Rotation Direction:

Right-hand

Flute Quantity:

2

Special Features:

Carbide; removable pilot, controlled radius; designed for machining graphite/epoxy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A188a0
