Point Diameter:

0.156 inches

Shank Diameter:

0.156 inches

Shank Style:

Straight round

Drill Diameter:

0.312 inches

Included Angle:

90.0 degrees

Product Name:

Stright shank piloted countersink

Material:

Steel comp m42

Material Specification:

-42 high speed steel mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A188a0
