Thread Pitch Diameters:

+0.5902/+0.5907 inches

Thread Length:

1.250 inches

Shank Diameter:

0.625 inches

Width Across Flats:

0.465 inches

Overall Length:

6.000 inches

Flute Quantity:

4

Square End Length:

0.687 inches

Special Features:

Spark plug tap with pilot and reamer; 0.548 in. Diameter pilot; 0.312 in. Pilot thread lg; 0.125 in. Reamer section lg.; tread size and series: 14-1.25mm sti

Style Designator:

Straight flute

Specification Data:

81343-as59158 professional/industrial association standard

Specification Or Standard:

1 type and 4 class and b style

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A13600
