Thread Direction:

Right-hand

Material And Location:

Steel

Thread Pitch In Millimeters:

1.50

Special Features:

Rethreading type; hex head

Supplementary Features:

Industrial quality (iq) tools program item

Thread Size And Series/type Designator:

10.0 mm iso m

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A13600
