**End Application:**

Aircraft nose wheel steering hydraulic motor assembly daa3221p601

**Component Quantity:**

5

**Product Name:**

Maintenance kit, aircraft

**Special Features:**

Repair kit, aircraft (b2) pacer special

**Functional Description:**

Removal of matched, serialized assembly

**Reference Data And Literature:**

To 4sa2-60-3

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
