End Application:

F110-ge-100 & f110-ge-129b (slep) engine programs

Component Quantity:

3

Container Type:

Case

Special Features:

Weight is 8 lb w/case

Functional Description:

Install & remove the retainer seals from the forward stator cases

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
