Width:

0.375 inches

Design Type:

General purpose distance measuring

Measuring Capacity:

Feet100

Tape Smallest Graduation Unit:

1/100 ft., 1/10 ft., 1 ft.

Rule Type Characteristic:

Not included

Marking Type:

Raised

Special Features:

W/hook ring

Material:

Steel

Material:

Steel

Specification Or Standard:

2 type and c class

Departure From Cited Designator:

As modified by special features ribbon only

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T299-e
