Width:

0.375 inches

Design Type:

General purpose distance measuring

Measuring Capacity:

25 ft

Tape Smallest Graduation Unit:

1/100 ft 1/10 ft 1 ft

Rule Type Characteristic:

Not included

Marking Type:

Painted

Special Features:

W/hook ring

Material:

Steel

Material:

Steel

Specification Or Standard:

2 type and c class

Departure From Cited Designator:

Asmodified by tape smallest graduation unit, special features, ribbon only

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T299-e
