Adjustability:

Adjustable

Design Type:

Single face

Overall Outside Dimensions:

12 in. Lg

Adjustable Characteristics:

True vials

Vial Quantity:

1 plumb

Vial Arrangement:

Single plumb

Vial Graduations:

Included plumb

Vial Graduation Value:

0.005 in. Per ft per division

Vial Surface Finish:

Ground plumb

Special Features:

Machinist's type; grooved base

Material:

Iron, cast

Material:

Iron cast

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T370-a
