Level And Plumb - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5210-00-241-3613

Adjustability:
Nonadjustable
Design Type:
Single face
Overall Outside Dimensions:
24 in. Lg
Vial Quantity:
2 plumb
Vial Arrangement:
Single plumb
Vial Graduations:
Not included plumb
Vial Surface Finish:
Unground plumb
Special Features:
Machinist's bench type; grooved base
Machinist's bench type; grooved base
Machinist's bench type; grooved base Material:
Machinist's bench type; grooved base Material: Iron, cast
Machinist's bench type; grooved base Material: Iron, cast Material:
Machinist's bench type; grooved base Material: Iron, cast Material: Iron cast
Machinist's bench type; grooved base Material: Iron, cast Material: Iron cast Shelf Life:
Machinist's bench type; grooved base Material: Iron, cast Material: Iron cast Shelf Life: N/a
Machinist's bench type; grooved base Material: Iron, cast Material: Iron cast Shelf Life: N/a Unit Of Measure:
Machinist's bench type; grooved base Material: Iron, cast Material: Iron cast Shelf Life: N/a Unit Of Measure:
Machinist's bench type; grooved base Material: Iron, cast Material: Iron cast Shelf Life: N/a Unit Of Measure: Demilitarization:
Machinist's bench type; grooved base Material: Iron, cast Material: Iron cast Shelf Life: N/a Unit Of Measure: Demilitarization: No
